

How to create a Facebook page for business:

1. Before you can **sign up** for your Facebook business page, you need to log into **your personal Facebook account**.
2. Go to facebook.com/pages/create. Select the type of page you want to create: **business/brand** or community/public figure.
3. Next, enter your **business information**.
4. Next, you'll **upload profile and cover images** for your Facebook page.
5. **Fill out all of the fields** in your Facebook Page's About section right from the start.
